KROMA *It's simply*
a fun board.

Because
it's fun *when*
it's colourful.

A kitchen board with a colourful edge simply deserves to have a special shape. For example, it can be veery long or veery fruity.

Boards with a colourful edge deserve special wood.
Our boards are made of fine wood.

Beech and ash

is fun wood.

It's just right
for fun boards.

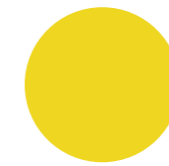

A trendy
palette of colours

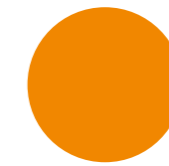

enchants with its uniqueness.
